Dear Lowri

Thank you for this response

Would you be kind enough to let us know exactly what is meant by "the CAT group will be coordinating with Ewan Rees and PCNPA to provide Newport with information for the tourists this summer."

As you know, the Forum is prepared to assist in any way possible.

Would you also kindly tell us when the Town Council's CAT group will be meeting with prospective volunteers and what plans exist to re-open the Visitor Centre

Kind regards

Sandra
